# FIRST TERM 2007

Hello Church

April already amazing! Seems as every year passes by time accelerates all the faster. What a great start to the year it has been with the launch of our theme for 2007 being 'A Year of Breakthrough'. In particular I wish to thank the 105 people who signed up for our 40 days of prayer & fasting. We concluded the 40 days on Sunday night March 25<sup>th</sup> with a 'Concert of Prayer', I have to say, it was one of the most electric atmosphere's I've been in, you couldn't help but feel that we broke through into something that night.

It's been interesting to see during our time of fasting more new people join the church, please do all you can to make them feel welcome. There have been many enquires from different folk on how to become a member of the church. In light of that we have set aside Sunday May 6<sup>th</sup> Membership Sunday.

The following is a brief summary of the first term.

**JANURAY:** Introduction of the theme for the year, 'Year of Breakthrough'. Summer Sunday Evening's were popular once again with the Aquatic Centre and Ten Pin Moonlight Bowling being a hit, Karl Mitten won the prize for the highest score, he was on fire that night.

**FEBRUARY:** Our cells ministry, youth and children's & busy bees all commenced, it's fantastic to see so many turning out to the cell nights, we couldn't do church without them. They are extremely helpful times for welcoming our new people who wish to develop friendships and become involved. This month saw the launch of our 747 Prayer & Fasting program 105 sign up, *7 people praying over 40 days 7 days week*. Our Bible College also recommenced with more people looking to graduate at the end of the year. Reach Out women's also commenced in the first Saturday of February with around 40 ladies.

**MARCH:** We concluded our 40 days of P & F with 'A Concert of Prayer' our line up soloists and singers were awesome... Lisa Thomas, Venetia, Bonnie, Brianna & Shadae Coulthard , we won't forget the children Jamie & Shanae Thomas' song and their prayers along with Jesse & Kessia. When it comes to Wayne & Steve Hobbs alias *Stretch & Wear-it's* prayer skit... all I can say is watch out whoever is singled out next, one needs thick skin in this church. The prayers offered that night & the heart felt worship, was indeed a testimony of a church who is desirous of seeing a breakthrough in our lives and region.

Also in March we were blessed by the ministry of Terry Walker and his team. It was encouraging to see 54 men turn up to the event on Saturday, the Sunday services and his testimony on Sunday night was inspiring and can be purchased on DVD and CD.

Kate and I are privileged and blessed to be your pastors and to serve along side so many willing and hard working people at Harvest.
