

HARVEST E-NEWS TERM III 2007

LAST SUNDAY NIGHT HEALING SERVICE: We could all sense the anointing last Sunday evening as Ray Russell ministered and prayed for the sick. Megan Corby came out the front overwhelmed reporting a power at work, something was happening in her chest. We are looking forward to hearing her say the asthma has cleared up and gone permanently. Bonnie has been painfully troubled by cramps for some time, also overwhelmed and teary she reported instantly being healed and pain leaving immediately. Doris spoke of a marked improvement in her hearing, others had their back prayed for and Margaret Arnup was overjoyed with relief to her troubled ankle. There have been many more prayers answered through our intercessory team via the prayer mail, we'll have Wendy Tucker bring testimonies of this soon.

KANYUCHI FAMILY: A BIG thankyou to all of you who were able to contribute financially towards purchasing the furniture, cutlery, white good and many more items for Pardon and Innocence's family, the total amount came to \$2000. Horsham hospital owners of the goods were kind enough to reduce the cost for us. Pardon has since contacted us saying how absolutely blown away they were by everyone's generosity, way to go church. If you wish to contact them Sonia has their forwarding details.

MISSIONS: \$14364.76 has come into missions so far which is funding the work in Thailand, First Priority AOG World Missions, Chaplaincy at Horsham College, Food Centre, Horsham North Kinda & Pastor John Martin. Of this amount \$4750 was raised by Judy's cell group towards the Watoto ministry.

HORSHAM COLLEGE: Sam Solomano has taken on the breakfast outreach program 2 mornings a week with a team of 7 people from Harvest helping. Students have begun to connect with the team with rapport begin to develop.

FAMILY FIRST: I received a letter from Pastor Andrew Evans stating that our function was one of the best he's ever attended. I was amazed by the 63 people in our church who signed up for either a newsletter or wanting to help. Be praying for Glen Coulthard who is now on the F.F. team.

CELLS: This term has seen a great turn out ranging from 77 in July, 83 in August and so far in September it's in the 60's. Judy Hutchinson's Cell has raised a large sum of money for Watoto, Marg Russell's group bring along food which they collect and turn over to the Food Centre, Ann Mahony's cell has been amazing in the support they give to Kris Young. If you're not in a cell ministry be sure to get involved with a team of people who are making a difference.

FACELIFT: Wayne & Vanetia Hobbs are heading up the refurbishment of the church together with a team of people. The main auditorium upper and lower timber walls have been painted which look fantastic, great job! Work is about to commence on the foyer with a projected cost of \$4000.00 involved. It is hoped we can raise this through the generous donations of our people; an announcement of this will be made soon.

PLANET SHAKERS: Adam and Christine along with the team are doing a great job raising the \$1600 needed for the Shakers deposit. Don't forget this Sunday they are announcing their 'Slave Auction'
